

DRAW IT

In Luke 24, Jesus appears to his disciples on the Emmaus Road. The disciples do not recognize Jesus or know that it's him. They still think he is dead. But when Jesus talks with them, something amazing happens in their hearts. They say their hearts felt like they were on "fire," and that they knew it must have been Jesus talking to them. Draw what you would feel like if Jesus appeared to you. What would your heart feel like? Has something like this ever happened to you before?
